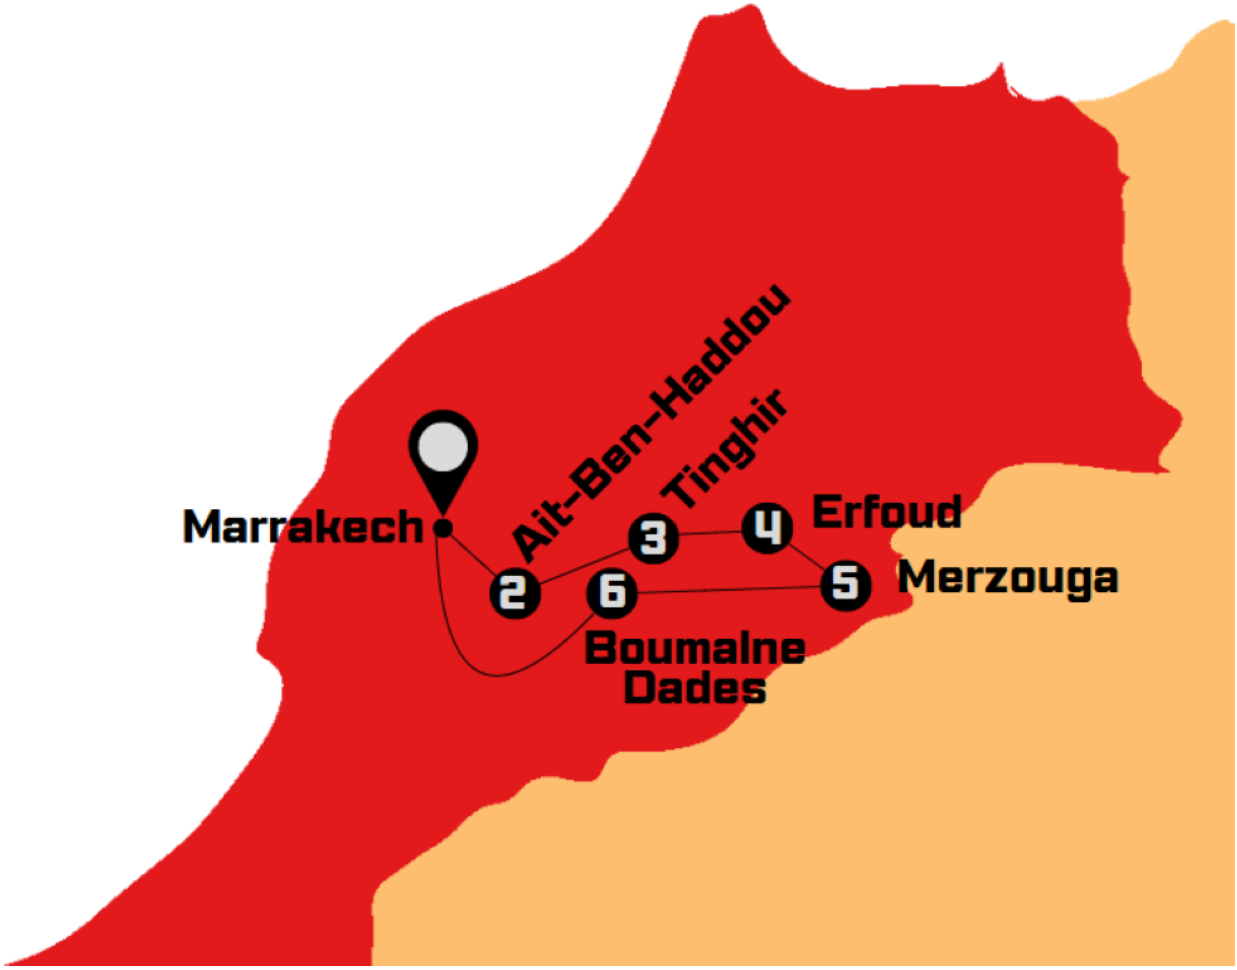
Motorcycle Adventure through the Wonders of Morocco: Atlas Mountains, Dunes, and Oases

An exciting 8-day tour that will take us to discover one of the most authentic regions of Morocco, often overlooked by traditional tourist circuits. A journey through a land rich in history, ancient traditions, and breathtaking landscapes, where imposing mountains, deep valleys, ancient Kasbahs, and legendary Ksars blend with small mud villages, endless palm groves, enchanting oases, and majestic dunes. Here, we will find all the ingredients that transform a trip into a unique experience, far

from the conventional tourist routes.



PROGRAM

Day 2: From Marrakech to Ait Ben Haddou - 180 km / 111 miles

Today we will tackle the road leading to Tizi n'Tichka, an incredible pass at 2260 meters, along one of the most beautiful roads in the world. We will then pass by the magnificent Telouet Kasbah, where we will make a short visit. We will travel through characteristic roads as we ascend the Atlas Mountains, once used by caravans to exchange goods. We will arrive in Ait Ben Haddou, where we will have dinner and spend the night in a typical hotel/Kasbah.

Day 1: Arrival in Marrakech

Arrival by plane in Marrakech. Each participant will be greeted at the airport with a personalized sign. Transfer by minibus to the hotel, where our motorcycles will be ready, and our tour will begin. An introductory briefing will allow participants to get to know each other and review the itinerary of the trip.

Day 3: From Ait Ben Haddou to Tinghir - 270 km / 167 miles

After a hearty breakfast, we will begin by visiting the Ait Ben Haddou Kasbah (where many episodes of Game of Thrones were recently filmed), with a guide who will explain the Berber architecture and how people lived in these small communities. We will then pass through Ouarzazate and immerse ourselves in an ancient Morocco. We will continue through valleys and villages frozen in time, along the Road of the 1000 Kasbahs, so named for the numerous red earth castles that emerge from the palms, leading us to the Dades Gorges. The road, with its thousand hairpin bends, will leave us with unforgettable memories and photos that will make anyone back home jealous! We will end the day in Tinghir, with dinner and overnight at a fantastic Riad, not before we visit the Todra Gorges, with their rocky walls forming spectacular canyons, where a refreshing green tea will be our aperitif.

Day 4: From Tinghir to Erfoud - 150 km / 93 miles

Today we will travel southeast along roads and trails to reach Erfoud, an intense city at the edge of the desert. We will feel like the protagonists of Marrakech Express! Along the way, we will stop to visit the fantastic Star sculptures and a Berber aqueduct. The paved road slowly leaves the desert behind, leaving it only in our hearts. The Jebel Saghro and its road with fantastic views will lead us to Boulmane Dades, where we will spend the night at a great hotel with a pool and spa.

Day 5: From Erfoud to Merzouga - 140 km / 86 miles

Today we will discover the wonder of the Erg Chebbi and the oasis of Merzouga. The dunes can reach up to 150 meters in height and change color throughout the day from pink to gold to red. Here, you will experience all the sensations and emotions that the desert can offer: silence, infinity, and at night, a sky full of stars. For those who wish, there will be an opportunity to take excursions by camel, quad, or buggy. Dinner and overnight stay in a tented camp.

Day 6: From Merzouga to Boulmane Dades - 310 km / 192 miles

After enjoying the colors of the sunrise between the dunes and tasting a Berber breakfast, we will head to Rissani, once the last

outpost before the desert and the border with Algeria. A brief off-road excursion will take us to the ancient slave prison, a scene from the movie The Mummy. The paved road slowly leaves the desert, leaving it only in our hearts. The Jebel Saghro and its fantastic road with amazing views will take us to Boulmane Dades, where we will spend the night in a great hotel with a pool and spa.

Day 7: From Boulmane Dades to Marrakech - 320 km / 198 miles

Today we will take the road leading up to Tizi n'Tichka, an incredible pass at 2260 meters, along one of the most beautiful roads in the world, before heading down towards Marrakech. The city, the second largest in Morocco, is also known as the Red City due to the color of its walls and buildings. Its location at the foot of the Atlas Mountains gives it a wonderful climate. We will explore the maze of souks with their characteristic shops, perfect for some shopping. At sunset, don't miss a cup of tea on one of the terraces of the cafés at Djemaa El Fna Square, where you can watch the food stalls. Motorcycle return. Overnight in a hotel, and in the evening we will meet to celebrate the final dinner and remember all the best moments of this spectacular journey.

Day 8: Safe Return!

After a relaxing breakfast, it will be time to say goodbye to Morocco. Transfer to the airport for the return flight, taking with you the memories of an unforgettable adventure.
