Ride along the most beautiful roads of Tuscany with a motorcycle, enjoying the environment and the landscape, up and down its famous hills through fascinating paths, sometimes dirt roads, surrounded by vineyards and olive trees. Is it a dream?? No, it is the proposal, first of its kind, that HP Motorrad Official Travel has decided to include at the traditional motorbike tour. Its an idea that, hopefully, like for the indisputable characteristics and advantages that a similar bike can offer to tourists curious and respectful of the environment, beyond the ecological impact that we hope will like the nature lovers. We will start from Firenze, cradle of the Renaissance, where masters like Leonardo da Vinci, Giotto, Michelangelo, Dante and Brunelleschi, have inherited a heritage of art and culture that belongs to the whole of humanity. We will ride along Itineraries on scenic roads throughout the region, from Chianti to the Crete Senesi, from the Val d'Orcia to the Maremma, from the Apennine passes to the more secluded Hermitages, from art cities to mythical itineraries, like "the heroic", a 205 km route that alternates asphalt and dirt, famous for the legendary vintage bike tour that takes place every year in October and that you will retrace faithfully copying the track, a unique experience !! Tuscany awaits you, appointment in Florence.
